

You are cordially invited to attend
Congresswoman Corrine Brown's
**Medicare
Town Hall Meeting**

**WE HAVE ANSWERS TO YOUR QUESTIONS
ABOUT THE MEDICARE DRUG PLAN!**

Since it was enacted last year, the new Medicare Part D Prescription Drug Program has left seniors frustrated and confused. In response to this issue, I have assembled some experts who can help to simplify the options and assist you in choosing a drug plan that works for you. **Medicare recipients only have until May 15, 2006 to sign up for a plan before significant late enrollment penalties apply, so you must act now!**

Are you having trouble choosing a new plan or keeping your current plan? Are you having problems getting your prescriptions or have you been told by your pharmacy you are not in the "system"? Representatives from the Center for Medicare and Medicaid Services, the Social Security Administration, local support agencies and healthcare plan providers, will all be on site at my Medicare Town Hall Meeting to answer your questions.

**Come find out if you are one of the 8 million
low-income seniors eligible for coverage that costs
just a few dollars per prescription.**
